REDPRAIRIE: THE GLOBAL LEADER IN CONSUMER DRIVEN E²e™ SOLUTIONS

RedPrairie is the global leader in consumer driven E²e solutions, synchronizing people and product from the retail shelf back to manufacturing.

We accomplish this through point-of-sale demand signaling, retail workforce optimization, advanced task management, fleet management, global transportation, productive warehousing, and efficient manufacturing.

RedPrairie solutions ensure that both your products and best people are there when your customers are ready to buy. This translates into a superior experience for your customers and more revenue for you.

REDPRAIRIE SOLUTION BENEFITS

- Reduce labor costs
- Improve customer service
- Reduce administration time
- Manage proactively, not reactively
- Improve employee morale
- Increase revenue
- Improve employee retention
- Improve enterprise visibility
- Reduce food cost
